**MUCH IN URANCE AT STAKE**

New Rates the Cause of the Trouble, Which Will Prove a Hardship for Many Members of the Fraternal Order—Legal Fight Promised.

(By Associated Press.)  
WILMINGTON, N. C., Nov. 1.—Official notice was received here today of the suspension of Cornelius Harnett, Council No. 231, Royal Arcanum, by the Supreme Regent of the order in the United States, because of a recent circular letter promulgated by the local council protesting against the advance in insurance rates upon the order.

The letter is construed as an act of "willful insubordination and contempt of superior authority." The local council has more than 150 members, some of whom have been policyholders for 25 years. The insurance in force and violated by the Supreme Regent amounts to more than \$500,000.

An appeal has been made for a withdrawal of the suspension, counsel being engaged to look after the interests of the local council.

**DARLING QUITS NAVY.**

Detroit Man Gets His Place in the Department.

(By Associated Press.)  
WASHINGTON, D. C., Nov. 2.—Truman H. Newberry, of Detroit, Mich., today took the oath of office as assistant secretary of the navy, and at once assumed the duties of his office.

After taking the oath all the naval officers present were presented to Mr. Newberry, and at the same time they took leave of Mr. Darling.

On Mr. Newberry's desk was a handsome floral piece presented by Detroit Lodge of Elks of which Mr. Newberry is a member.

**Sees With Her Eyes Shut.**

There is a woman in Chicago who is totally blind while her eyes are open, but who can see with them shut. Her eyes are normal, except that the nerve that conveys the image to the brain has become misplaced. The woman's eyes are bright and clear.

They perform all their functions properly. They dart about, regarding everything, but on account of their misplaced nerve, they see nothing. Yet let the woman close her eyes and the last object gazed upon is clearly visible to her. She sees with her eyes closed. She looks at you, and everything, is black. She seals up her lids, and there you are, distinct and bright before her.—New York Tribune.

**RABBLE IN CONTROL IN RUSSIAN CITIES**

(Continued from page one.)

The mercy of a howling and armed rabble of 50,000 men "calling themselves loyalists and led by disguised policemen and their dupes."

The Jews made a stout resistance and their successful bravery entailed lamentable sacrifices. It is impossible to ascertain the casualties, but rumors put the number of the killed and wounded as high as 2,000, many by bombs which the mobs used wholesale. Not until late at night, when the murderous work had gone unchecked for hours were the troops brought, cordons placed around the Jewish quarter and quiet restored.

**WILL ANSWER MR. SWANSON'S SPEECH**

Messrs. Yost and Kent at Academy Tonight Under Auspices of Lewis Club.

Ex-Congressman Jacob Yost and Captain William P. Kent will speak at the Academy of Music tonight under the auspices of the L. L. Lewis Campaign Club.

Last night dodgers were circulated advertising that Messrs. Yost and Kent would tonight answer Mr. Swanson's speech at the Academy.

Seats have been reserved for ladies and the Republican leaders expect a big crowd to attend this, their final rally of the campaign.

**"DUCK-PIN" CONTEST.**

Best Score for Yesterday Made by McDaniels.

Four matches were played in the "duck-pin" contest in the bowling alley of the Newport Hotel yesterday afternoon and last night. The afternoon contest was between Dr. J. R. Bagby and Mr. R. H. Harris and the latter won by the score of 457 to 362.

**BOYS GET FANCY GROCERIES**

Not One Man Stays for Supper at the College and After Being Excused Make Another Raid on the Stores for a Fresh Supply of Rations.

(By Associated Press.)  
RICHMOND, Nov. 1.—The cadet body at the Virginia Military Institute this afternoon went through the town of Lexington, taking whatever they thought desirable in the way of eatables from grocery and other stores and later at the supper roll call, when the usual permission was given to those who did not care to eat at the mess hall to retire, the entire corps broke ranks and again went down town.

They were prevailed upon by officers, however, to return to barracks and did so without any trouble.

The unsatisfactory food supplied by the mess is supposed to have been the cause of so serious a breach of discipline.

The following were the matches played last night and the scores of each bowler:

John Vaughn, 462; Thomas Young, 442.

J. B. McDaniels, 471; Jessie Brown, 439.

W. V. Green, 438; R. G. Bain, 432.

A large crowd of the lovers of the bowling sport witnessed all of the games, which were very fast and cleverly played.

The tournament will continue for several days and some of the best bowlers in the city are scheduled to play tonight.

**"Professor Napoleon."**

A good way not to get excited is not to try to explain to your wife what you are going to vote for.

**A. CARD.**

I take this method of announcing to the people of Hampton that I have sold my confectionery and bakery business to Messrs. Freeman & Co., who will continue the business at the present stand, corner King and Hope streets. It is with considerable feeling that I sever my connection with my many customers, but I bespeak for the new firm that same trade that the people of Hampton have so generously given me during the past eight years. The public generally have my sincere thanks for their patronage. I most heartily commend Messrs. Freeman & Co. to the trade.
